# Adult & Youth Sports and Fitness

## ♥ Youth Tennis

### Junior Development Program

Series of group lessons where FUN is a priority as participants “play to learn”, developing skills through a positive learning experience and with a sense of accomplishment. Certified professionals provide a great learning environment for the developmental learning stages. Players will focus on movement, balance, throwing and catching the ball, swing motions, making contact, grips and stroke development. As players continue to improve additional skill sets will focus on coordinating movement and balance, and hitting the ball with purpose and direction. Game concepts and scoring will be introduced. United States Tennis Association (USTA) 10 & Under QuickStart teaching methodology and concepts are used by trained QuickStart tennis professionals.

Age Groups: 3 & 4 year olds (36' court, foam balls, 19" & 21" rackets)  
5 - 7 year olds (36' court, red compression ball, 21" & 23" rackets)  
8 - 10 year olds (60' court, orange compression ball, 25" rackets)  
11+ middle school and high school

Locations: Red Bug Lake, Sanlando and Sylvan Lake

Cost: Weekday Group Classes 4 or 5 week sessions \$36 or \$45  
\$72 (Saturday group lessons held one hour per week for 8 weeks)

## ♥ Tennis for the “Health of It.”

Tennis is the sport of a lifetime and you are never too old to start. It provides aerobic fitness by burning fat and improving your cardiovascular fitness and maintaining high levels of energy. It provides anaerobic fitness by offering short, intense bursts of activity followed by short periods of rest which helps muscles use oxygen efficiently. It strengthens bones of younger players and helps prevent osteoporosis in older ones. Certified professionals help make this program fun and provide a great learning environment for the early stages of competition. **Have fun and stay fit!**

### Levels:

Beginner: Grips, footwork, forehand and backhand groundstroke's, volleys and serve will be introduced.

Intermediate: Participants will focus on coordinating movement and balance, hitting the ball with purpose and direction, and improvement of their skill level through strengthening of the fundamentals learned in the Beginner level.

Advanced: Emphasis will be on incorporating skills into playing situations. Topspin and slice will be introduced. Drills and playing situations to include ball movement and control of varying ball speeds with shot anticipation.

Strategy: Singles and Doubles. Improve your match results and competitive tennis experience. Doubles to include serve and volley, poaching, moving as A team, return strategy and different formations. Learn the different Styles of play and find out what type of game you want to perfect!

Cost: \$72 for 8 weeks, one hour per week

Locations: Red Bug Lake, Sanlando, and Sylvan Lake Parks and Greenwood Lakes Park

## ♥ Junior Training Program

Four exciting levels designed for the continued development of new junior team tennis and tournament players to the high school team and elite tournament players. The Seminole County training programs are USTA approved “Local Excellence Training Centers” and incorporate the concepts and methods used by the USTA for elite Junior Players. Emphasis is on the Four (4) “F’s”: Fundamentals, Footwork, Fitness, and Fun! The daily format combines instruction with practice and match play and includes structured drills and on court games to improve player skills, tactics, and techniques. Participation is based on ability and experience and subject to the tennis pro’s approval.

Locations: Red Bug Lake, Sanlando, and Sylvan Lake Parks  
Cost: \$104 month (two hours, two times per week for 4 weeks)  
\$52 per month (2 hours one time a week for 4 weeks)

## Medicare

Similar to Social Security, Medicare is an entitlement program. Most U.S. citizens earn the right to enroll in Medicare by working and paying their taxes for a minimum required period. Even if you didn't work long enough to be entitled to Medicare benefits, you may still be eligible to enroll, but you might have to pay more.

There are four different parts to the Medicare program. Parts A and B are often referred to as Original Medicare. Medicare Part C, or Medicare Advantage, is private health insurance, while Medicare Part D offers coverage for prescription drugs. The details below tell you more about Medicare insurance plans, with an overview of the four parts.

## DID YOU KNOW...

Chickens are known to reduce or eliminate populations of grasshoppers, termites, fire ants, slugs, fleas, scorpions, and even rodents by cleaning up food sources that might attract them.

Caring for chickens gets us outside regularly, and watching their methodical scratching and foraging around the yard slows us down and grounds us in the present, providing a meditative experience that can be difficult to achieve in our busy day-to-day lives, particularly in urban settings.
